

Change Status on Single or Multiple Transactions

1.	Click the Reconcile Statement link (See Setup Hint at bottom) in the BFS Navigation Menu to open a transaction search page.
2.	Select Reconciler or Approver from the drop-down Role Name menu.
3.	You can search for your transaction(s) by any valid field or combination of fields on this page. For more information on search fields, see the Job Aid <i>“Search for One or More Transactions.”</i>
4.	Select US Bank from the drop-down Card Issuer menu.
5.	Click the OK button.  A list of procurement card transactions in the Staging Table that fit your criteria is now displayed on the Reconcile Statement page.
6.	To change the status of a transaction, you must first select the transaction(s) by clicking the checkbox at the beginning of a transaction line.  To automatically select all the transactions in the list, click the Select All Select All link at the bottom of the page, which will select all transactions in the list, not just those on the page shown.
7.	Click the Verify button to change the Status of all selected transactions to Verified . OR Click the Approve button to change the Status of all selected transactions to Approved .
8.	The Status of the selected transactions changed to Verified or Approved , respectively.
9.	Click the Save button (or Alt+1) on the lower left side of the screen.  Your updates have been saved for all transactions listed in the results. If reconciling more than 1 transaction, this Save button need only be clicked after you have completed your reconciliation processes for all of the transactions. Reminder: The general process to reconcile a procurement card transaction is documented in the job aid, “Reconcile a ProCard Transaction.”
