

Move to Wisely Pay Card

Our pay card vendor, ADP, is replacing their existing ALINE pay card with their new Wisely pay card over the coming months.

What does this mean to me?

- You are being given the current ALINE card packet. Wisely-branded pay cards will not be issued until later in 2020.
- Follow the instructions in the ALINE card packet to activate and to start using your card.
- Continue using your ALINE card until your funds on the card are depleted. That's it.

What do I need to be aware of 2/23/20 and after?

- **Important:** On 2/23/20, during the hours between 10:00 p.m. and 4:00 a.m. PT, you will not be able to use the ALINE Card as this is the actual day that the ADP system is switching to Wisely. Be sure to plan ahead and withdraw enough funds to cover you during this time.
- On and after 2/24/20
 - a. Should you have a remaining balance on your ALINE card, the information on the **Notice of Changes to the Cardholder Agreement** and **Privacy Policy** you are being given along with this letter, will apply to your ALINE card (ex: there is a new ADP Cardholder Services phone number) until you have depleted the funds.
 - b. Some materials on the website, mobile app, and other materials might refer to Wisely, but this has no impact on your use of your ALINE card.
 - c. Security will be added to your card that will only allow the card to work in your home state and any bordering state unless you set a travel notice through the website, app or customer support.
 - d. You will choose the "Checking" menu option for withdrawing funds from an ATM instead of the "Credit" option.

How has the card changed?

What is the same?	What is new?
<ul style="list-style-type: none"> • The fee schedule • Employees keep the cards issued to them and the account associated with the card issued will remain the same • Berkeley will continue to issue the ALINE card until ADP replaces the cards with the Wisley card later in 2020 	<ul style="list-style-type: none"> • More in-network ATMS • Personalized pay card will be EMV chip enabled • The card will have Wisely branding (instead of ALINE)
